MENTORise is a group of local business people who will meet with aspiring entrepreneurs to share ideas, forge partnerships, and create opportunities.

The brainchild of Dr. Michael Mahaffey of Mahaffey Orthodontics in Peachtree City, MENTORise is designed to link experienced entrepreneurs with people who have recently started a business or wish to do so.

Completely complimentary to participants.

If you are interested in attending, you must pre-register and complete an application at www.MENTORise.org. A mentor will contact you prior to the event to determine your needs.

“I am very excited about the way the first MENTORise Forum has already produced some great mentorship experiences. The event itself was inspirational, and we are hearing from both mentors and their mentees that their ongoing meetings have been amazing. I can't wait to help partner up some new budding entrepreneurs with experienced business guides.” — Dr. Mahaffey
